Discover the Tools for Your Success

Is This You?

- You never know how much money you have
- You accrue debt without even knowing it
- You waste time because you can never find what you need when you need it

Your One Box Solution

Say good-bye to that old shoebox filled with receipts and hello to everything you need to become an organized, financially literate businesswoman!

No computer needed – this is a manual, put the pencil to the paper accounting system that's contained in a handy, portable box.

A Life-Changing Interactive Workshop

Under the guidance of Cynthia Riggs, The Biz Diva, you'll learn in a confidential group setting, and leave with a simple, easy-to-use accounting system and a box of record keeping tools that will change your life!

Sign up today and save \$50!

Enroll for this class by March 25 and pay only \$199.

After March 25, the cost will be \$249.

Openings are limited; reserve your space today!

Note: *Some office supplies are required. They will be available for purchase during Class 3, or you may bring your own.*

About the Biz Diva

Cynthia Riggs built a multi-million dollar business of her own. Now she shares her insights with people who want to do the same.
